7. ☒ Examiner's Amendment/Comment
8. ☒ Examiner's Statement of Reasons for Allowance
9. ☐ Other _____.

1. The following is an examiner's statement of reasons for allowance and comments concerning the application. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. This application is an RCE after allowance. Claims 1-35 have been cancelled by applicants; see the preliminary amendment filed 10 July 2003, which cancelled claims 1-35 and added claims 36-108. The amendment filed 27 September 2004 cancelled claim 88. The examiner's amendment attached to the previous Notice of Allowability (PTOL-37) mailed 31 May 2005 cancelled claims 70-87 and 89-108, as being directed to non-elected claims. Thus the pending claims in this application are claims 36-69.

Note also the examiner's amendment correcting a typographical error in claim 57, also attached to the previous Notice of Allowability.

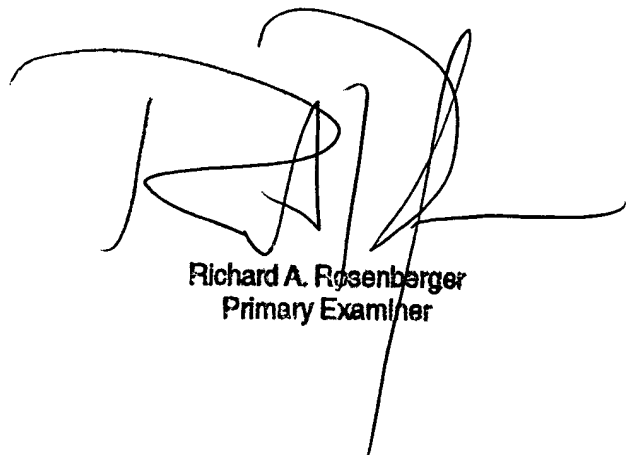

3. Of the pending claims, claims 36 and 57 are independent. Both contain, with different language, the limitations that there are two arrays of detectors each substantially rotationally symmetrical about the common optical axis of two collectors which collect light in different collection angles. The art does not teach or suggest this in combination with the other claimed limitations of the claims. Thus claims 36 and 57 are allowable for at least this reason, and claims 37-56 and 58-69, dependent from claims 36 and 57, are also allowable for at least this reason.

4. Also note the terminal disclaimer filed 27 September 2004, which has been accepted by the Office; see the Office action mailed 14 December 2004.

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Richard A Rosenberger whose telephone number is (571) 272-2428. The examiner can normally be reached on Monday through Friday during the hours of 8:00-4:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Gregory J. Toatley, Jr. can be reached on (571) 272-2800 ext. 77.
